# Instructions for Kindle

## On Your Computer

8. Go to [Amazon.com](http://Amazon.com) and sign in with your Amazon.com login and password.
9. Go to the Woodlands Downloadable Library at <http://woodlands.lib.overdrive.com>
10. Click on **Sign In**, select **Delta Township District Library** from the drop-down, then enter your entire library card number, with no spaces.

By signing in before you search, you will be able to take advantage of additional materials that have been purchased solely for Delta Township District Library patrons.

11. Find books you wish to download by: entering title/keywords in the search bar; browse by menus on the left side of the page; or by using the advanced search. Books available for Kindle will show a small Kindle icon.

12. If a title is available it will have an **Add to Bookbag** button. When you find a title you want and it is available, click **Add to Bookbag**. If it is not available it will have a **Place a Hold** button.
13. Next, choose **Continue Browsing** to continue looking for books or click **Proceed to Checkout**.
14. When you choose, **Proceed to Checkout**, the library will ask you to sign-in (if you have not done so already).
15. Click on **Confirm Checkout**.
16. On the next page, click on **Get for Kindle**.
17. An Amazon.com page will load. If you are already logged into your account, the right side of the page will look like the image to the right. Select the place you would like the book to deliver with the drop-down, then click **Get Library Book**.
18. Your book will be wirelessly delivered using the steps in the next section. If you do not have a wireless connection to the internet, see the section titled Transferring Without Wireless.

## On Your Kindle

1. Make sure you have wireless turned on and are connected to a wireless network. (library books do not work with Amazon 3G)
2. Press the Menu button.
3. Use the 5-way controller to move down to **Sync & Check for Items** and select.
4. Wait for your Kindle to sync. Your book will then appear in your home library

## Transferring Without Wireless
